

**Dr. Richard Keith Smith**  
Professor, School of Communication, Simon Fraser University  
515 West Hastings Street  
Vancouver, BC V6B 5K3 CANADA

## **Educational Background**

- |            |  |
|------------|--|
| 1994 Ph.D. | Communication, Simon Fraser University, Canada<br>Innovation in Telecommunication Services |
| 1986 M.A.  | Communication, Simon Fraser University, Canada<br>Federal Government Advertising in Canada |
| 1981 B.A.  | Mass Communication, Carleton University, Canada  |

## **Employment History at Academic Institutions**

- |                                 |  |
|---------------------------------|--|
| September 2007 - Current        | Professor, School of Communication, Simon Fraser University  |
| July 2006 - Current             | Director, Centre for Policy Research on Science and Technology, Simon Fraser University  |
| July 2005 - Current             | Associate Director, School of Communication, Simon Fraser University   |
| April 2001 - August 2007        | Associate Professor, Communication, Simon Fraser University  |
| January 1999 - January 2005     | Director, Centre for Policy Research on Science and Technology (CPROST), SFU   |
| April 2001 - August 2003        | Associate Professor, Adjunct, Management Science, Faculty of Engineering, University of Waterloo                                       |
| September 1994 - March 2001     | Assistant Professor, Communication, Simon Fraser University  |
| October 1996 - October 2000     | Adjunct Professor, Faculty of Engineering, Department of Management Sciences, University of Waterloo                                   |
| September 1995 - September 2000 | Associate Research Chair, Vancity-ASI-NSERC-SSHRC Chairs in Management of Technological Change, Communication, Simon Fraser University |
| January 1991 - January 1999     | Associate Director, Centre for Policy Research on Science and Technology (CPROST), Simon Fraser University                             |
| January 1991 - August 1994      | Research Associate, Communication, Simon Fraser University   |
| January 1989 - December 1990    | Research Director, Centre for Policy Research on Science and Technology, Simon Fraser University                                       |
| September 1988 - December 1988  | Sessional Instructor, Communication, Simon Fraser University   |
| September 1986 - December 1986  | Sessional Instructor, Communication, Simon Fraser University   |

## **Current Research Interests**

Examination of the role of communication and collaboration networks in the development and diffusion of information technology.

[Information society, information technology]

A search for new methodologies to enable creative and constructive and critical thinking about the future.

[technology and society]

electronic scholarly publishing

[Development of new tools to enable scholars to publish their work electronically.]

**Dr. Richard Keith Smith**  
Professor, School of Communication, Simon Fraser University  
515 West Hastings Street  
Vancouver, BC V6B 5K3 CANADA

innovation clusters  
[Examination of the role of clusters in the innovation process for new media firms.]

## Completed Works

### Book

Gow, G. A., & Smith, R. (2006). *Mobile and Wireless Communications: An Introduction*. London: McGraw-Hill/Open University Press.

Lewis, B., C. Massey, and R. Smith. *A Tower Under Siege: Education and Technology Policy in Canada*. 2001, Montreal: McGill-Queen's University Press.

Ellen Balka and Richard Smith (editors), *Women, Work and Computerization: Charting a Course to the Future*. Kluwer, Norwell, MA, 2000.

### Book Chapter

## **Works Accepted for Publication / Production / or Presentation**

## **Works In Progress**

**Book**

Mobile and wireless companion technologies - a communication ecology approach to new media. With Roman Onufrijchuk and Gordon Gow. Polity Press, London, 2007

## **Works Submitted for Publication**

## **Significant Contributions to your Field**

May 2005 New media design principles and practices  
Creation (with R. Onufrijchuk and D. Schick) of a new method for the study of new media products

September 2000 Lewis, B., R. Smith, and C. Massey, A Tower Under Siege: Education and Technology Policy in Canada. 2000, Montreal: McGill-Queen's University Press.  
We have advanced the debate on technology in education by taking a policy and policy process perspective.

## **Conferences, Workshops and Presentations**

November 2007     Abbotsford School District, Internet Safety Event. Keynote Speaker

# Dr. Richard Keith Smith

Professor, School of Communication, Simon Fraser University  
515 West Hastings Street  
Vancouver, BC V6B 5K3 CANADA

- November 2007 Abbotsford School District, Internet Safety Event. Keynote Speaker  
June 2005 Leonardo Institute - Guest Lecture. "Surveillance, Privacy and the Precautionary Principle"

## Conference Papers

- November 2006 Society for the Social Studies of Science (4S), Vancouver. Smith, R. (2006). Surveillance silencing students? Rethorizing surveillance for populations at risk. Society for the Social Studies of Science (4S), Vancouver.
- September 2006 AoIR 7.0 - Association of Internet Researchers International Conference, Brisbane, Australia. Smith, R. (2006). "A mobile rich media taxonomy: Development and evaluation of a research tool." Association of Internet Researchers, Brisbane, Australia.
- September 2006 AoIR 7.0 - Association of Internet Researchers International Conference, Brisbane, Australia. Smith, R. (2006). Using the internet to learn about the internet: A "hybrid" course. Paper presented at the Association of Internet Researchers, Brisbane, Australia.
- June 2006 Congress of the social sciences and humanities: Canadian Communication Association. Smith, R. (2006) Cell in the city: is cellular phone use eroding the distinction between private and public space? Congress of the social sciences and humanities: Canadian Communication Association, Toronto.
- November 2005 Colloque De L'Association d'Économie Politique (AÉP): La Compétitivité Urbaine À L'ère De La Nouvelle Économie : Enjeux Et Défis, Montréal, QU. Smith, R. (2005). The new media industry in Vancouver. Colloque De L'Association d'Économie Politique (AÉP): La Compétitivité Urbaine À L'ère De La Nouvelle Économie : Enjeux Et Défis, Montréal, QU
- October 2005 Association of Internet Researchers 6.0 - Generations, Chicago, IL, USA. Florence Chee and Richard Smith, "Online gamers and the ambiguity of community: Korean definitions of togetherness for a new generation." Association of Internet Researchers 6.0 - Generations, Chicago, IL, USA
- May 2005 International Association for Management of Technology, Vienna, Austria. Smith, R. (2005) "Innovation "Games" in the animation and multimedia industries in Canada." International Association for Management of Technology, Vienna, Austria
- September 2004 Organisations, Innovation and Complexity: New Perspectives on the Knowledge Economy, University of Manchester, Manchester UK. Jane McCarthy, Richard Smith & Michelle Petrusovich, (2004) "Impact of a New Innovation – the New Media Cluster in Vancouver" Organisations, Innovation and Complexity: New Perspectives on the Knowledge Economy, University of Manchester, Manchester UK.
- June 2004 Social Sciences and Humanities Congress, Canadian Communication Association, Winnipeg, MB. Smith, R. and Chung, G. (2004). Civic Engagement, Surveillance, and Urban Life. Social Sciences and Humanities Congress, Canadian Communication Association, Winnipeg, MB.
- May 2004 Innovation Systems Research Network (Vancouver). Richard Smith, Territorial Assets - New media in Vancouver
- January 2004 CCTV and Social Control: The politics and practice of videosurveillance: European and Global perspectives, Sheffield, England. Richard Smith and Grace Chung. Transit Surveillance and its Implications for Civic Engagement
- November 2003 Digital Games Research Association (Digra). Florence Chee and Richard Smith. EverQuest and its Implications for Addiction Policy.
- August 2003 1st Global Conference, Interactive Convergence: Research in Multimedia, August 7-9 2003 at the Anglo-American College in Prague, Czech Republic. Florence Chee and Richard Smith. Games addiction and its discontents: An ethnographic offering from the EverQuest Community
- May 2003 CCA 2003 (Halifax). Is Electronic Community an Addictive Substance? (With Florence Chee)
- May 2003 IAMOT 2003, Nancy, France. A model for the study of clustering: A case study from new media firms in Vancouver.
- October 2002 Association of Internet Researchers (AoIR) 3.0 - Theory/Net/Work, Maastricht, NL. Richard Smith and Gordon Gow, Wireless Information Society: Policy Issues and Technological Development.
